KITCHENWARE & HOUSEWARE

2025
2026

Corporate

Urve Plastik is one of the largest manufacturer and exporter companies in the sector of Plastic kitchenware and household products in Turkey.

Since the day of its establishment, the company managed to be the market leader in its sector. In 1988, the manufacturing process was initiated in a small workshop for the first time. Today, the company continues its production in a facility with 12.500 square meter, and it exports half of its production to almost 50 countries.

Urve Plastik is one of the long-established Turkish brands that manage to enter into our kitchens and houses, thanks to its studies in its experienced marketing and sales departments. By using its success and experience on the road of becoming a prestigious brand in Turkey, it is continuing its development towards the goal of becoming a prestigious brand internationally.

Our company holds a world Standard TSEK Service Adequacy Certificate, Our products are manufactured with the permission of Ministry of Agriculture and Rural Affairs approved on 28.09.2009 with the number G34-7111 as they include no health threatening substances. Designs of our products are protected by the Industrial Design Registration Certificates of Turkish Patent Institute.

Urve Plastik is developing new products by considering its social responsibilities and interpreting the needs of consumers. In line with this, Urve Plastik is offering the highest quality products to the consumers with the best prices and best service.

Urve Plastik, exporting its products to 4 continents, is competing with international brands in its sector and introduces its 'Made in Turkey' brand world-wide. Urve Plastik succeeded in this challenging duty until now and determined to continue this success in the future. Urve Plastik will keep on feeling the deserved pride of being a nation-wide brand.
